

### PHILMONT VISIT

Members of Boy Scout Troop 236 visited the Philmont Scout Ranch in northern New Mexico this summer. Scouts and leaders from Long Valley and Stanhope toured the ranch, which is used by the Boy Scouts as a national high adventure base in which crews of Scouts and Venturers take part in backpacking expeditions and other outdoor activities. Philmont is also home to the Philmont Training Center, which is the main center for Boy Scouts of America's national-level training for volunteers and professionals.
